

Why buy a Memorial Bench or Tree Plaque?

To honor the dearly departed

Death is never an easy topic, but your loved one's memory can be honored by placing a plaque on a memorial bench in one of Edmonston's public parks.

For a loved one

Consider ordering for a friend or family member who is no longer with us. Memorial Benches and Memorial Trees are a great way to commemorate that special person such as a mother, father, sister, brother or close friend.

For a lifelong legacy

Specially designed benches will last for years. Trees will grow and mature and provide shade and aid in cleaning the air. People visiting the parks and sitting on the Memorial Benches or under the Memorial Trees can read about the loved ones who are honored with these special site features.

Edmonston is committed to Sustainability, Green Living, and Healthy Lifestyles.

About Edmonston

Edmonston is a small, friendly community located 2.5 miles from Washington, D.C., with a population of approximately 1500 residents, and is a member of the "Port Towns" organization. Edmonston is home to one of the "Greenest Streets in America," thanks to the completion of our "Green Street" Project on November 9, 2010. The "Green Street" Project is just one of the many ways Edmonston is working hard to make our town a "healthier" place to live!
